**Ever dreamt of being a pro-racing driver?
Of overtaking at break-neck speeds?
Or, better still, of being the first past the chequered flag?**

Well now's your chance. At *Pro-Am Outdoor Karting* you can experience the thrill of real motor racing and take part in Britain's most exciting outdoor sport!

PRE-RACE PREPARATION

On arrival, you will be given your own racing suit, gloves and a crash helmet. Then one of our marshals will take you through the safety precautions and racing techniques. You'll learn about racing lines, braking points and how to corner like Michael Schumacher.

THE WARM-UP LAPS

After tuition, it's the practice session where you'll get to know your twin engined, lead-free kart. Time to test your disc brakes, warm your soft compound racing tyres and familiarise yourself with our purpose built circuit with its fast straights, sharp chicanes and hairpin bends.

Then you're on your own!

SAFETY FIRST

Safety is paramount at *Pro-Am Outdoor Karting*. Alcohol consumption is not permitted either before or during race meetings. You must be 16 years or older and 4'10" or taller to race at any time.
